List of ingredients identified for having the potential of forming nitrosamines in nitrosating systems according to IFRA Standards:

Declaration of substances is not required

Its has been limited to 20% the maximum dose in all categories except 10A and 12. In case that need a higher dose than 20%, please request us.

For products with oral and lip exposure, please, ask us.

Use in other product types or at higher concentrations should be the subject of a separate safety evaluation by us.

It is the ultimate responsibility of our customer to ensure the safety of the final product (containing this fragrance) by further testing if need be.
